20 yards only

Badge	White	Black	Blue	Red	Gold
Score	150	200	240	270	290

When the Archery GB Progress Awards scheme was introduced it was suggested that the awards should also be made available to adult beginner archers. The Archery GB Progress Awards scheme can complement a club's beginners' course with an award being made at the end of the course. This scheme is only for Recurve bows as, in the main, these are the only bows used on beginner courses.
